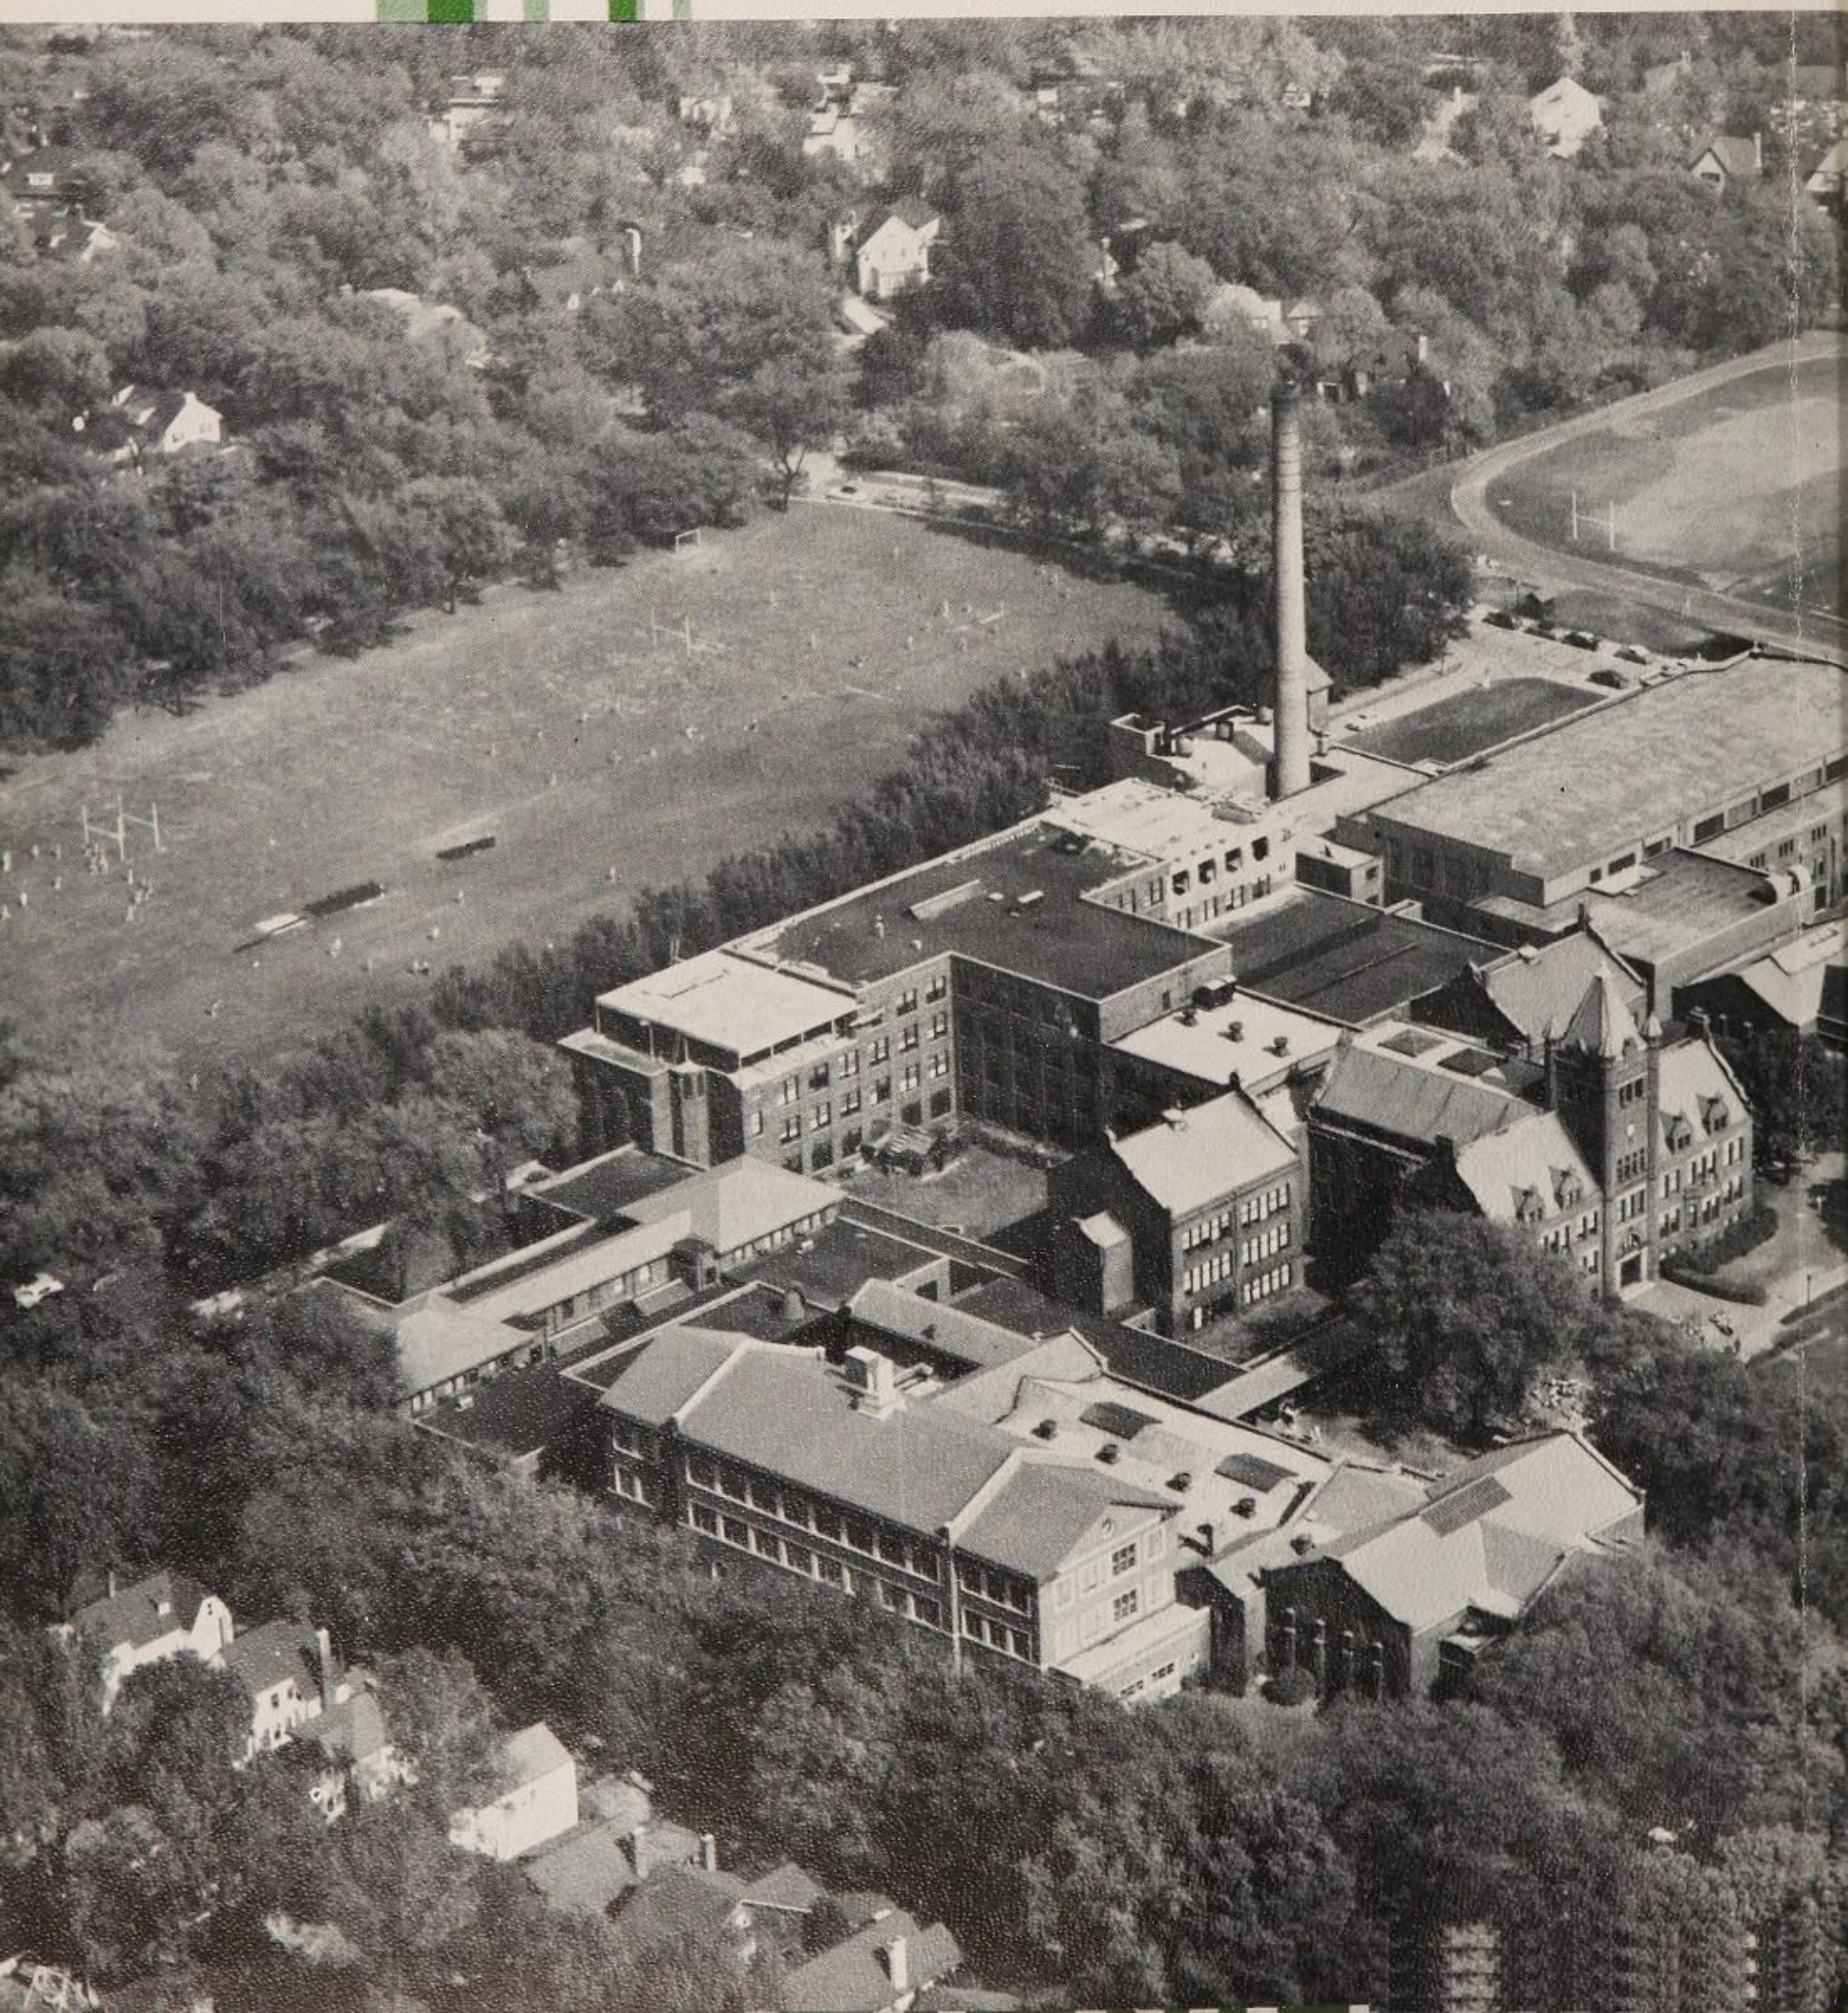
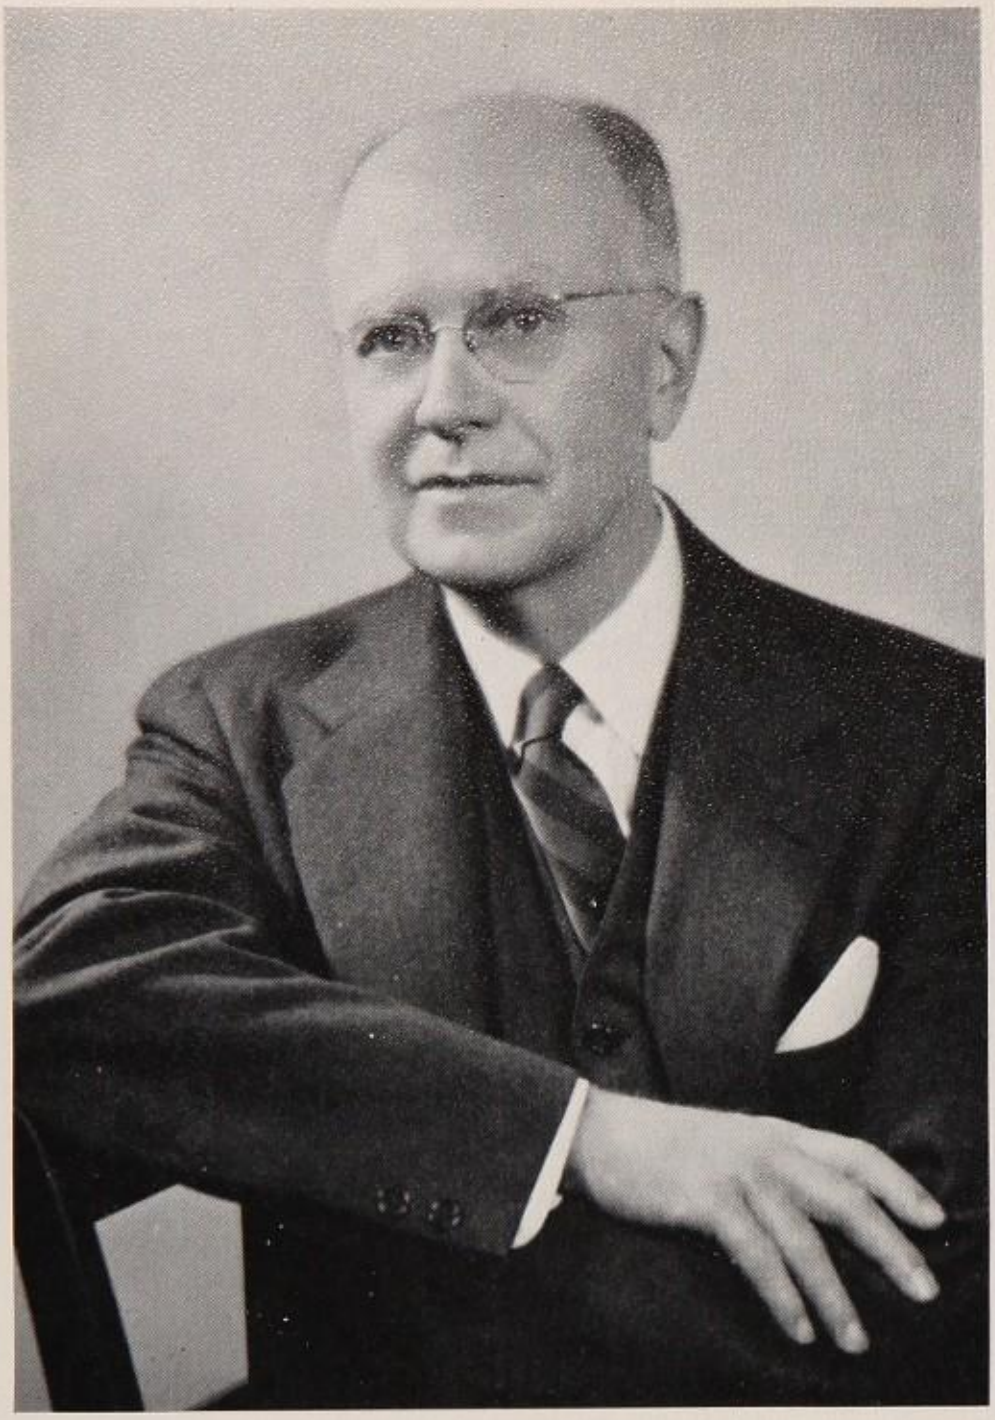
New Trier High School
proudly presents



ECHOES of 1954

June 11, 1954
Winnetka, Illinois



In honor of Dr. Gaffney, Retiring Superintendent of New Trier High School

Matthew Page Gaffney has served as superintendent of New Trier Township High School for twenty-three years, longer than any of his predecessors. Through depression, war, and prosperity he has led the school to a world-wide reputation for excellence.

In the countless decisions and actions of managing a large high school, Mr. Gaffney has ever been a humane man. Every student, every teacher, every patron has been to him a distinct individual, to be treated with sympathy, consideration, and kindness. The door to Mr. Gaffney's office has always been open to anyone who sought his counsel. No detail has been too petty and no problem too formidable for him to accept it as a matter of genuine concern. The authority of his position has found expression through the force of his own personal conduct. He has not relied upon regulations and pronouncements. He has been accustomed to request, not to command.

His respect for individuals has made Mr. Gaffney a staunch defender when defense was needed. He has consistently refused to be forced into action by hysterical pressure against his own judgement. He has insisted that every individual be given full opportunity to prove his worth.

As a leader, Mr. Gaffney has displayed imagination and inventiveness in putting high ideals into practice. He has not hesitated to delegate responsibility and encourage people to find a way to meet it. The extensive development of our Student Council, with accompanying encouragement for other student organizations, may be attributed directly to him. Mr. Gaffney has found ways to develop mature, civilized young men and women.

While maintaining the strong college preparatory tone of our school, Mr. Gaffney has broadened its program to provide for all adolescents in the community and to enrich the life of the school beyond academic requirements. He has had a significant part in the life of our community, and he has been active in educational organizations of the state and nation. His achievements have been recognized by honorary doctor's degrees from Colgate, Northwestern, and Yale universities.

The class of 1954 is honored to graduate from New Trier with such a man as Matthew Page Gaffney.

OLD MAIN BUILDING TO BE RAZED THIS SUMMER

SCHOOL and CAMPUS

Since the very beginning of New Trier Township High School on February 4, 1901—53 years ago—the main tower building has served in various functions as the focal point of school operations. Through the years, the tall, stately structure, topped by its continuously-running clock, which was the gift of the Class of 1926, has been a symbol of New Trier's excellence in education. However, similar to the fate of all buildings, it has become outmoded, unsafe, and inadequate for an increasing enrollment. The Board of Education has therefore taken successful steps to have the building torn down and a new, more modern, and much bigger building constructed in its place. Also, a new auditorium, containing approximately twice as many good seats as the present one, will be built on the site of today's auditorium.

Besides the new tower building and auditorium, the construction plans as approved provide for the replacement of a heating boiler, the installation of a new electrical system, the building of indoor corridors to connect all school buildings, and the expansion of the cafeteria to accomodate 400 more people at one time.

Included in the new main building will be thirty-five classrooms and laboratories and eight study halls. A memorial library and reading room will be present in the new building; and the school's east wing, which at present houses the library and two study halls, will be returned for physical education use, the function it originally served. Other rooms this building will contain are numerous conference rooms, administrative, business, and faculty offices, an enlarged book store, and additional locker, stor-

age, and museum space. A large lounge, supported in part by class gifts of recent years, will be located in the basement and run by students for social activities similar to the Senior Canteen in operation during the past two years.

The success in obtaining public approval for the building program was the result of many years of careful planning by architects, the Board of Education, a special faculty building committee, and similar groups. The Board worked with the architects in designing the new sections and with the faculty committee in working on arrangements for relocating classes and other activities while construction is in progress.

After framing the basic plans for the new tower unit and auditorium, the question was brought to a vote among the school district residents in a special election on December 12, 1953. The Board asked the public permission to issue bonds amounting to $5,875,000 in order to construct the new sections and improve existing heating and electrical systems. All measures were approved by a ratio of five to two.

With the money available, actual work was then ready to begin. Commencing in March a temporary administrative building to house most of the offices formerly in the tower building was begun. It is located north of the school on the girls' athletic field, and is scheduled to be completed by the end of this school year. According to plans, the moving of all supplies from the tower building is to take place between June 18 and July 1, with the demolition of the tower building beginning July 5 and ending September 11, two days before the start of the next school year. The razing of the auditorium will follow in October.

During these months, details will be completed in the blueprints. Bids will be accepted during December, and the final contracts will be drawn up in time to begin construction of the new main building by January 15, 1955. It is expected that this building will be ready for use by April of 1957.

ADMINISTRATIVE HEADS

New Trier is well-known as being a modern, up-to-date school which is able to preserve wise traditions. One of the reasons it has maintained a fine reputation is because of the excellent choices of faculty members who are always alert to the problems and needs of students. By striving to find only the best teachers for the jobs, New Trier has continually excelled.

The changes this year were comparatively few when one considers that the school's administrative faculty, and office staffs are composed of 181 individuals, not including members of the Board of Education.

On the New Trier Board of Education, Mr. John F. Arnold and Judge Robert E. English began serving along with the five previous members, as provided by a recent state law requiring seven members on a board. In the administration department, Mr. Harry H. Herron was named to the newly-instituted office of assistant principal, while Miss Louise Holzinger took over the job of registrar. Mr. Paul C. Goodrich came from West Alexandria High School in Ohio to become administrative assistant in Assistant Superintendent Brown's office. To help the deans, Mr. Fred Kahler and Miss Helen Maloney, in the handling of senior affairs, Mr. William Gannaway was made chairman of senior activities.

The additions in New Trier faculty this year were as follows: Mr. Edgar Bailey joined the science department. In the business section, Mrs. Karol Greeson was new, as was Mr. Roderic McLennan in mathematics. The language department was represented by Spanish teacher Miss Emma LaPorte and Latin instructor Miss Helena Lennards. The English department gained three new members; Miss Marjorie

ADVISER CHAIRMEN

Smith, Mr. Robert Sweet, and Mrs. Katherine Wing. The speech section received Miss Mary Rhodes, and Miss Cleo Resler filled a vacancy as a new librarian. Miss Barbara Byrne returned to the physical education staff after having been on a leave of absence for one year at Columbia University.

Among those who retired from teaching service this year were Mr. L. A. Hutchens, head emeritus of the English department. Latin instructor Miss Mary Helen Paul and Mr. Norman G. Christensen, science teacher, also retired. Others who left New Trier service were Mr. Floyd Crank of the business department and librarian Miss Mary Jane Richeimer. After the close of the first semester, Mr. F. Donald Frisbie of the social studies department retired to take a job with a New York travel agency.

Three teachers were granted leaves of absence. Mrs. Helen Eisler, Spanish teacher, is on leave for travel. German teacher Mr. Phillip McDowell received a Fulbright fellowship to teach in Trier, Germany, for one year; his duties in the language department were taken over by former English teacher, Mr. Gordon Jensen. Miss Helen Voelz of the physical education department took leave to begin working for her master's degree in dance.

On the office staff, Mrs. Kathryn Carroll was made assistant secretary to Mr. Brown and replaced in the job of attendance records by Mrs. Mildred Trevor. The position of assistant in duplicating office was taken by Miss Patricia Tool; while Mrs. Marion Showley replaced Mrs. Janet Faust as secretary in the testing office. Mr. Harold Burmeister left his position as an office assistant to enter the military service ,and Mrs. Kayser took charge of counter service and lost-and-found service.

STUDENT COUNCIL

Student Council is the one organization in New Trier in which all the students are represented. Under the leadership of President Gordon Anderson, Vice-President Helen Doughty, Secretary Margot Eckhouse, and Treasurer Mike Baity, Council was continually striving to fulfill three functions for which it was founded: to study, discuss, and act upon student problems, to promote good relations between the students and faculty, and to develop in the students good citizenship traits through experience in democratic organization.

During the past year, Council made significant strides forward in the success of the Honor System, management of the lunch hall, student supervision of study halls, obtaining driving privileges for upperclassmen, and in many other ways.

Through the efforts of Council, a plan was adopted allowing all upper-classmen to drive to school. In addition, driver-training tests were presented to sophomores as a part of the plan to educate students on safety.

An improved program of Saturday roller-skating, basketball, and badminton in the gyms was effected this year, and the Halloween and freshman parties were other examples of Council's work in promoting recreational programs which provide for specific needs of the students, the school, and the community.

Many changes and advances were made in student-supervised study halls this year. First-semester freshmen were admitted for the first time, making only two out of seven study halls faculty-supervised. The leadership-training program, after two years of operation, has shown definite results in better student behavior and acceptance of responsibility in studyhall groups.

The student-supervised lunch hall also showed a great improvement during the past year. Using effective publicity, the committee managing and supervising the lunch hall made great strides in getting students to cooperate in keeping the lunch hall clean and orderly.

The '54 Council assumed full responsibility second semester and has shown real progress already; during this time the '53 board continued to work as an advisory board. With the new group of officers, headed by Tex Randolph as president, Student Council faces a year of challenge.

Another big change, this time in sponsorship, will occur when Mr. Art Van Deursen, after twenty years as faculty adviser, will relinquish this post in which he has helped to guide Council to a position of eminence and influence in school affairs. Mr. Paul Goodrich, administrative assistant, will take over the job of guiding Council beginning next September.

Citizenship, fellowship, and sportsmanship are the three guiding principles of New Trier's Tri-Ship Club. Headed by the executive board consisting of club officers, class chairmen, and heads of the ten committees, the remainder of the directive membership of Tri-Ship is composed of adviser-group representatives and committee members.

In reviewing the year's successes, the dance committee was responsible for introducing a freshman "Tri-Ship" at the beginning of the year in addition to the five big dances. This year's "Lagniappe" presentation, "Eppa Ingal," was the product of excellent planning, acting, and stage management. The profits from all functions, including Lagniappe and the dances, enabled Tri-Ship to award scholarships to about thirty boys.

Service committee continued supplying library monitors, door guards, information-desk boys, and the student employment service. The ticket committee handled distribution of tickets for "Lagniappe" and Tri-Ship banquets besides the printing of football game programs. In charge of arrangements for the Father-Son banquet and the Dad's Club football banquet, the dinner committee also took care of refreshments at dances, sock hops, and the Halloween, sophomore, and senior parties.

The club-room committee provided use of its television set for various occasions and supervised the use of the club room for interviews with college representatives as well as other group meetings. Publicity was the job of the public relations committee; running of the annual Career Night and the homecoming ceremonies went to the arrangements committee. The traffic squad directed overflow traffic at all major events and before and after school; and the usher corps members served at more than sixty-five events during the year.

Having founded the organization in 1926, Mr. Donald Frisbie served as Tri-Ship's sponsor for twenty-seven years. Mr. William Gannaway assumed full sponsorship this fall following Mr. Frisbie's retirement from this post.

GIRLS' CLUB

OFFICERS AND SPONSOR, MISS KIX MILLER

For the past thirty-five years the Girls' Club of New Trier has done an outstanding job, promoting fun and friendship for every girl at New Trier. Throughout the fall months, Girls' Club helped freshmen and other new girls to become acquainted. The New Girls' Supper and the Friendly Banquet gave everyone a chance "to make new friends and keep the old."

Fall to Girls' Club also meant "money-making time," profits going primarily into scholarships for New Trier girls. The magazine drive netted almost $5,000. Sales of cokes and spudnuts at sports events brought the total net profits up to almost $6,000. The spring fashion show provided another source of income besides providing talented demonstration of the newest clothing styles.

The charity drives and adviser-room projects were examples of the ways in which Girls' Club helped others less fortunate throughout the United States and in foreign lands. The clothing drive, held in conjunction with Tri-Ship, established a new national record for high-school collections with a total of over twenty-two tons of clothing collected.

Members of the nursery-school staff, office staff, library staff, and the newly formed absence-bulletin staff gave of their time to fulfill responsible chores which aided both school and community. Girl's Club also provided jobs from baby-sitting to salesmanship for New Trier girls desiring employment.

The Mother-Daughter Banquet, given early in March, gave Mom an opportunity to recall her high-school days.

Throughout the year, under the guidance of sponsor Miss KixMiller, New Trier girls got fun and relaxation from Girls' Club, in addition to many hours of work, everyone accepting the challenge to make 1954 one of the most successful years in Girls' Club history.

PUBLICATIONS and DEBATE

NEW TRIER NEWS

At the beginning of the school year the **News** staff was aware that its principal effort should be directed towards preserving the gains accomplished by the 1952-1953 staff and, if possible, to continue the steady improvement achieved during the past years under the guidance of Mrs. Sue Lenard.

Constructive efforts were made in several directions. First of all, emphasis was placed on making the **News** as nearly as possible an all-student publication. Closer cooperation with other school organizations, and student contributions in the form of letters to the editor and other articles were encouraged.

Sports stories and events were featured, and strong student support for athletics was stimulated. Innovations in presenting the news stories were undertaken and found useful in reporting graphic, up-to-date accounts. A notable addition was a weekly column of condensed news presentation.

Most of all, the **News** endeavored to provide interesting and informative reading and to support the fine tradition of New Trier in every way possible.

ECHOES of 1954

Each year the **Echoes** staff attempts to produce a better yearbook than that of the previous year. To make the 1954 edition the best of all, the staff included more pictures representational of the school's students and activities, more factual write-ups, a more diversified and attractive layout of pages, and retained the idea of a modern, colorful cover design.

In addition, the staff wanted to produce a book which five or even fifty years from now could be referred to as a reliable source of information, a book which would give a fairly accurate picture of the school, students, faculty, and activities during the year 1953-1954.

To make the year's story more complete, a separate staff was formed to produce a recording which contained familiar sound of some of the more important and outstanding events. This was included with the 1954 annual for those who wished to purchase the recording as a supplement to the book.

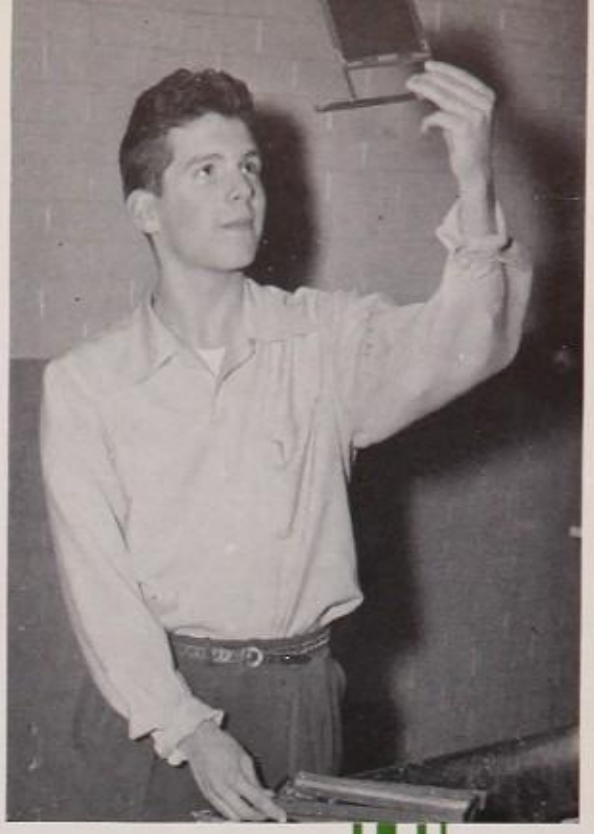
A particularly noteworthy improvement in this year's book itself, however, is the inclusion, for the first time in **Echoes** history, of pictures of the golf, tennis, spring track, and baseball teams of the current year. For the first time also, the annual senior play presented in the spring found a place in the book.

Another feature expected to be popular with New Trier students is an enlarged snapshot section which presents some of the lighter side of student activities both in and out of school.

Under the guidance and direction of Mr. R. E. Wilson, sponsor, an enthusiastic and capable staff worked day and night, including week-ends and holidays, to produce an **Echoes** which, it is hoped, will be the best-received of a long series of successful yearbooks.

ECHOES STAFF AT WORK: Sewrey, Truesdell, Lawrence, Waterman, Kirk, Wieland, Arnold.

PHOTOGRAPHY SERVICE STAFF: Mr. D. Smith (sponsor), Murphy, Hunyady, Allen, West, Lanyi, Hill.



DEVELOPING NEGATIVES

Photography Service was inaugurated last year chiefly to provide pictures for **Echoes** and **News,** as well as "outside" publications. Composed of advanced students, the group does all the work involved in producing pictures, members working during free periods and after school developing negatives and preparing the hundreds upon hundreds of prints from which **Echoes** pictures are finally selected. Student photographer Paul West took adviser-group and other groups pictures for several months during adviser period. Pictures of clubs, athletic teams, and most school events were taken after school hours by Frank Murphy and John Hales. Jim Allen developed all the negatives for **Echoes,** and Frank Hunyady and Rhodes Myers did most of the printing. Mr. Don Smith was supervisor.

ECHOES RECORD

Another first for New Trier! Sounds familiar? Of course, for these are familiar sounds recorded for posterity and presented for the first time in conjunction with the **Echoes.** As far as is known, this recording of Re-Echoes entitled "Sounds Familiar," is the first yearbook record produced by an Illinois high school.

Working under the direction of Mr. Robert Pink, with Ethel Caro as head of the recording group, an enthusiastic staff "picked up" many hours of speeches, cheers, concerts, plays, games, and chit-chat, edited down to 16 minutes of nostalgic sounds, including the continuity.

A special script committee headed by Tom Allen produced the narrative which holds the "story" of New Trier activities together. The script, written for rythmic narration, was recited by the verse-speaking choir under the direction of Miss Virginia Kral. The participation of the verse-speaking choir added further interest to the already interesting experiment of presenting the activities of the school in sound.

Depending upon its reception by the students, the **Echoes** record will be bidding for a place among New Trier's many annual events.

INKLINGS

Inklings has long been the major outlet for creative writing at New Trier. Hitting a high point in staff enthusiasm and literary excellence, the magazine this year saw an upsurge in the quantity and quality of student work.

Under the co-sponsorship of Mr. R. S. Peterson and Mr. R. Sweet, the 1954 staff met regularly to select the best that New Trier had to offer in stories, poems, an essays, and to gain valuable constructive criticism concerning their own writing.

The pocket-size book, initiated in 1953, proved so popular that this form was repeated this year.

1954 saw a definite rise in the quantity and quality of creative writing at New Trier. Judging from the talent exhibited this year, **Inklings** continued to provide valuable experience for students interested in writing.

LE FLAMBEAU

Le Flambeau, the French magazine, was published in late May and consisted of a variety of contributions from all French classes. Selections included interesting French stories, articles, poetry, crossword puzzles, and jokes. A contest was held to choose the best cover design; entries not chosen for the cover were used throughout the magazine. Under the able editorship of Carol Remien and the assistance of Mrs. M. L. Morris, a capable staff handled effectively the art, publicity, rewrite, typing, assembling, and sales departments.

EL PREGUNTON

El Pregunton, published annually by the Spanish department, surpasses the other language magazines in sales with almost five hundred copies sold to students in Spanish classes. Being the only foreign language magazine to be printed rather than mimeographed, **El Pregunton** consists of nearly thirty-five pages. All Spanish students are required to submit to the magazine an article, poem, cover design, or puzzle. The superior contributions are printed, and the artist of the cover design which is used receives a prize. Mrs. Margaret James is the faculty sponsor, while this year's editor-in-chief was Mary Higginbotham.

DIE SCHREIBEREI

Since 1936 when the magazine was first published, **Die Schreiberei** has increased in popularity each year. Under the sponsorship of Mr. Gordon Jensen this year, the magazine stimulates interest in the German language by giving German students a chance to express themselves in a foreign tongue. Edited by Bill Alger, who was assisted by an excellent staff, **Die Schreiberei** was composed of stories, poems, essays, and puzzles chosen from contributions from German students of all classes.

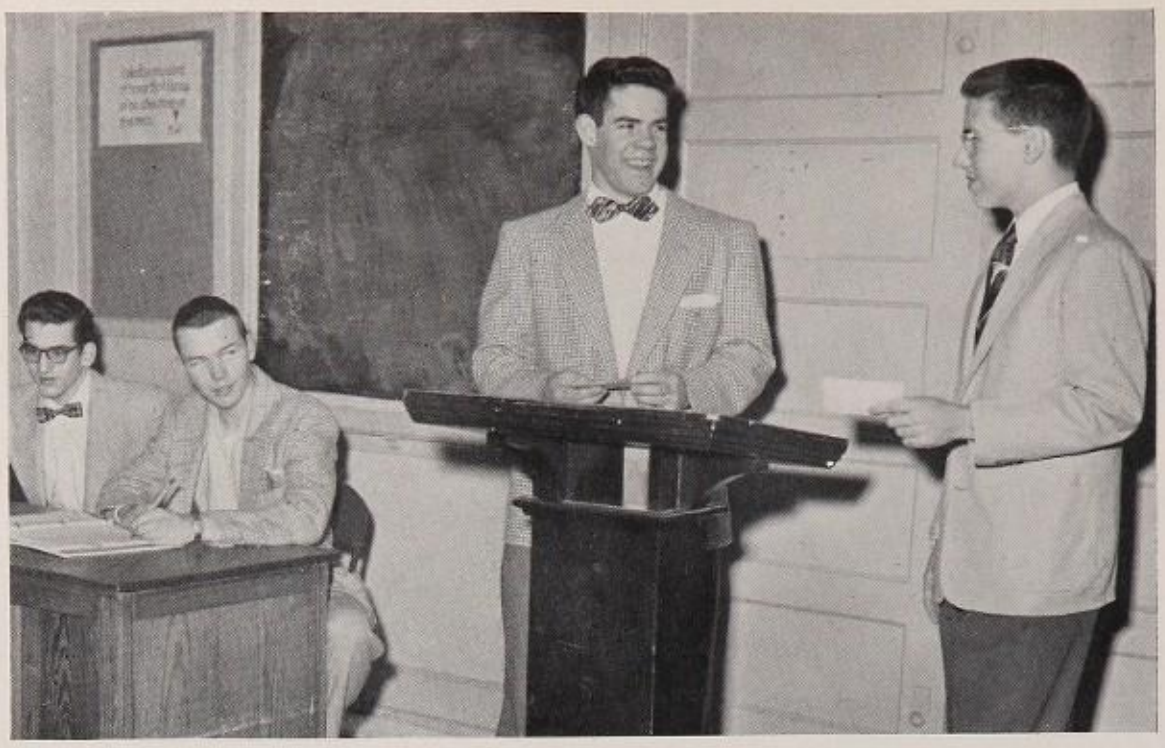
DEBATE



PRACTICE SESSION: Goldman, Wessman, Howell, Porter.

Among high-school debaters this year, the topic under discussion was "Resolved: That the President of the United States should be elected by a direct vote of the people." Debating this question in the March sectional tournament at Waukegan, New Trier's varsity took fifth place with three wins and three losses, bringing their season record to thirty-three wins and fifteen losses.

In addition to sectional competition, the debaters participated in several invitational tournaments. The beginner, sub-varsity, and varsity divisions placed first at La Grange, followed by a first place at Niles for the beginner and varsity teams. The beginners again captured first place at Blue Island, with the sub-varsity and varsity divisions taking second. The varsity team also debated in tournaments sponsored by the University of Illinois at Navy Pier and by Augustana College at Rock Island, winning four out of six and eight out of twelve debates respectively.

The co-captains of the varsity division were Jack Porter and Cal Wessman; the remainder of the team consisted of John Emery, Dick Weinberg, John O'Conner, and Henri Rush.

Most of this year's debaters were members of the National Forensic League which is a speech honor society having chapters in more than 500 schools throughout the country.

Credit for New Trier's perennial interest and success in debate must go to Mr. C. E. MacLean who has coached New Trier teams since 1923.

The year 1954 was a memorable one in New Trier's music department, both vocally and instrumentally. Under the leadership of Mrs. Marian Cotton, head emerita, Mrs. Adelaide Bradburn, head of the choral division, and Mr. Samuel Mages, head of the instrumental division, the department experienced a successful and outstanding year.

Opening the season was the annual Christmas concert, with more than one thousand students participating in either vocal or instrumental capacities.

The Boys' Ensemble's "Bells of Saint Mary's," the "Jubilate Deo" of the chorus, the "Lord's Prayer" sung by the Girls' Ensemble, and Dvorak's "New World Symphony" as played by the orchestra were among the unforgettable numbers.

The old auditorium held its last opera this spring. Running for four nights, "The Mikado" was presented to capacity audiences. This was "Mama" Cotton's last opera; her 35 years of former successes helped to make this year's opera one of the best.

The orchestra was an important participant in both concerts and the opera. In addition, it provided the opening music at every play this year. Both the cadet and concert bands, under the direction of Mr. Mages, performed at several junior high schools in the area as well as at the football games. They also held several very successful concerts which were thoroughly enjoyed by all who attended.

MUSIC INTEGRATION

The department of musicology provides instructional work for the integration of music in foreign language, social studies, English, and dramatic classes. The student activities of the department are concentrated in the Musicale Club, the concert series, and the Recorder Group of instrumental players, which presents programs for a number of clubs and schools in the community as well as for New Trier English classes.

Under the sponsorship of Mrs. Elizabeth Kidd, Musicale Club provided field trips to programs and concerts in Chicago.

For this year's concert series, sponsored by the club, 1731 students signed up to hear fine programs presented by pianist Ernst Lazlo, the DePaur Infantry Chorus, the Salzburg Marionette Theater, and violinist Ricardo Odnoposoff.

DRAMATIC CLUB BOARD

Top Row: Mr. Coburn, Arthur, Haneman, Buck, Casterline.

Bottom Row: Schager, Starrett, Rieger, Winburn, Reeder.

One of the largest clubs at New Trier, the Dramatic Club can boast of over 300 members, all of whom have served the club in production or acting capacities.

Under the sponsorship of Mr. Miner Coburn, the members of the club have encouraged a more widespread interest in the stage.

Tom Arthur, president of the Dramatic Club, Peter Hayman, vice-president and treasurer, and Jean Reeder, secretary, have striven successfully for a wider student interest in dramatic activities through work on committees and crews, and through competitive try-outs and participation in experimental one-acts as well as major plays.

The expert staging of the dramatic group's own stage productions, four major plays and five one-act plays, would have been impossible without the aid of the unseen but invaluable behind-the-scenes crew.

Under the supervision of Mr. Robert Harper and stage-crew head Doug Buck, the stagehands spent many hours in constructing, setting up, and moving difficult sets. Mr. Frank Holland of the art department supervised the designing and painting of some of the more lavish backgrounds.

Directed by Mr. C. H. Jones, the light crew, headed by Wickham Minns, created impressive lighting effects for the various plays.

Miss Virginia Kral helped Lynn Starrett and her props crew to find the right equipment for stage settings, while Mrs. Beverly Cornell assisted Priscilla Stranne and her group to secure costumes and to keep them in readiness for every performance.

Directed by Miss Winifred Gahagan, the co-heads of make-up, Kay Kibler and Margot Eckhouse, were assisted by a competent crew which worked at all plays.

Sound crew, headed by Margot Torbert and sponsored by Mrs. Elizabeth Cavanaugh, helped to create necessary effects from backstage.

LUCY THOMPSON DANCES IN LAGNIAPPE'S "EPPA INGAL"

STAGE PRODUCTIONS

OPENING CURTAIN

LAGNIAPPE

Between semesters, Lagniappe's all-student production of "Eppa Ingal" brought to a climax eight months of planning and hard work by directors Hiram Hinkley and Wayne King and the Lagniappe board, under the sponsorship of Mr. Jerry Kelley.

The action took place on Eppa Ingal, a mythical Pacific isle where a company of U.S. soldiers was stationed. The owner of the island, his daughter, a secret investigator, and a troupe of U.S.O. girls brought complications to the story.

After four performances before packed houses, Lagniappe closed its 1954 edition, with top honors going to Kay Long and Doering Murray, who received the honorary "Beef-Eaters" award for cooperation and effort, to Ed Greenebaum as conductor of the orchestra, and to Judy Gilbert as an outstanding stage personality.

"THE MIKADO"

To the strains of "A Wandering Minstrel, I" and "Willow, Tit Willow," Gilbert and Sullivan made their annual March visit to New Trier, bringing with them this time "The Mikado."

Try-outs had been held in January, with lead roles finally assigned to twenty-four in double and triple casting. The part of Nanki-Poo was given to Fred Waldmann and Ronnie May, and Yum-Yum was played by Saundra Wilcox, Joan Madden, and Fern Frisbie. The role of Ko-Ko was assigned to Peter Hayman and Randy Winston, while Martin Tippens and Tom Jarvis played Pooh-Bah. Other important parts were played by Slyvia Frost, Janet Winburn, and Jean Reeder as Katisha; Margot Keith, Barbara Johnson, and Carol Blumberg as Pitti-Sing; Virginia Adams, Connie Schulz, and Mary Schager as Peep-Bo; J. D. Helms and Richard Byrkit as Pish-Tush; and Hal Lochner as Go-To.

With eighty others in the boys' and girls' choruses, sixty in the orchestra, and over fifty members of the make-up, stage, props, costume, and light crews, the number of active participants in the opera amounted to nearly ten percent of the entire student body.

DRAMATIC PLAYS

"DEAR BRUTUS": STARRETT, SCHULZ, RAPPAPORT, KRASBERG, GREER, RIEGER, WESSEL

This year the Dramatic Club presented an interesting and enjoyable series of plays in the form of four full-length productions and two nights of one-act plays.

The first semester began with a light and delightful comedy, "The Gossipy Sex," directed by Mr. Coburn, which concerned an intriguing man who could not control his urge to gossip. The resulting misunderstandings among the guests at a garden party kept the audiences guessing until the last curtain. Important parts were taken by Randy Winston, Martin Tippens, Janet Winburn, and Betsy Nance.

"Kind Lady," the club's winter play, directed by Mr. Lehman, had its setting in the dismal home of elderly, lonely Miss Herries who soon found herself under the complete control of an unscrupulous but engaging scoundrel, Henry Abbott. Some sinister and awesome events occured to keep audiences amused and mystified before the plans of Mr. Abbott were exposed. Leading roles in "Kind Lady" were played by Joan Krasberg, Mary Schager, and Tom Arthur, with an excellent supporting cast.

"KIND LADY": WINSTON, HUME, REEDER

"GOSSIPY SEX": INGLEHART, REINHOLD, WINSTON

"KIND LADY": HUME, REEDER, KRASBERG, ARTHUR

"GARDEN PARTY": CAVALLON, SCHULZ, CLEARY, "WELCH, TIPPENS

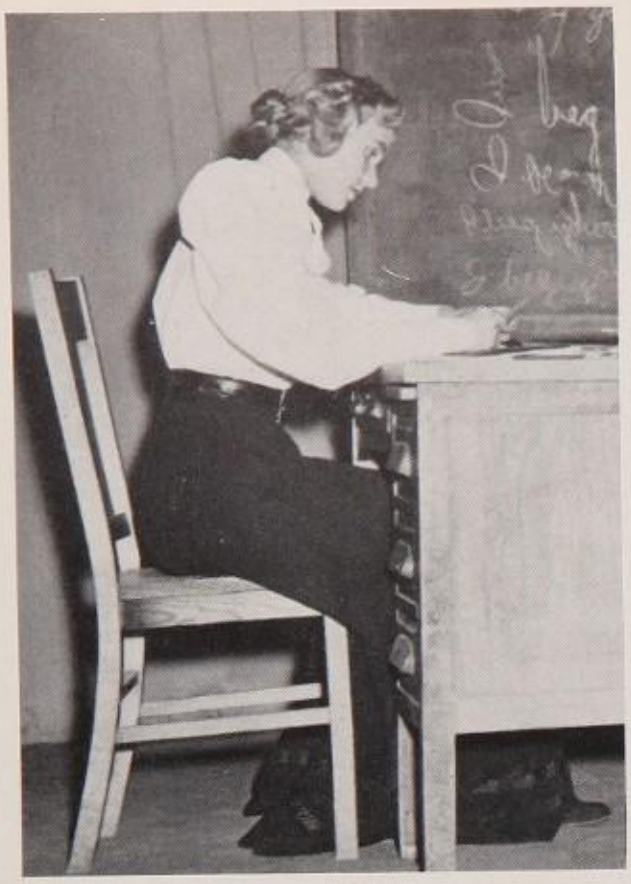
"OVERTONES": ECKHOUSE, SHAW, VAN WOLF

The first series of one-act plays were experimental in nature and unusually interesting. "The Slave with Two Faces," directed by Mr. Coburn, was a dramatized allegory of how Life, personified by Sam Harris, affected two women as portrayed by Linda Bradfield and Melinda Murphy. "Overtones" employed two actresses for each character, showing the audience what each character appeared to be as well as what each really was like. Mr. Pink directed this comedy which starred Gloria Boylston, Valerie Van Wolf, Anita Shaw, and Margot Eckhouse. "The Garden Party," an experiment in chamber theater, employed a narrator, Martin Tippens, the plot being enacted on an unset stage and in the audience. Characterizations in this moving play were portrayed by Judy Rieger, Mike Cavallon, Sharon Welch, Sandy Johnson, and Mike Cleary. Direction was by Miss Gahagan.

Beautifully and movingly done, "Remember the Day," was presented early in the second semester by freshmen and sophomores under the direction of Miss Kral. The flashback technique was employed in telling the story of teacher Nora Trinnell and one of her students, Dewey Roberts. Fredi Andrews, Bruce Wilson, Tom Embree, and a strong supportin cast did sensitive portrayals.

"GOSSIPY SEX": TIPPENS AND GOLDMAN

"SLAVE WITH TWO FACES": HARRIS, KRONWALL, NEHLSEN, WIRTZ, YATES.



"REMEMBER THE DAY": ANDREWS

"REMEMBER THE DAY": WILSON, ZIMMERMAN, SPIECKER, JAMES

In the second series of one-acts, student Janet Schulte directed capably "A Sunny Morning," the story of two elderly people who met after a long absence and discussed each other's life. These were played by Marilyn Taylor and Richard Goldman. O'Neill's "Where the Cross Is Made," directed by Mr. Lehman, was the fascinating story of an insane writer, his insane seaman father, his daughter, and the ghosts of former sailors. Principal roles in this suspenseful mystery were played by George Eddy, Jack Hayes, and Sandy Johnson.

Act II of "The Torch Bearers" was presented as the final one-act and was directed by Miss Kral. This hilarious backstage comedy included a large cast with Bernie Rinella and Randy Winston playing the chief characters.

"Dear Brutus" was the senior dramatic presentation and was directed by Miss Gahagan. Performed with almost professional skill before two receptive audiences, "Dear Brutus" was the fanciful story of an elfin creature named Lob who seemed to change the lives of all the people around him by showing them what might have been if events in their pasts had been different. Lob was played by Homer Greer and Don Shapiro; an happy artist, Tom Arthur and Martin Tippens; the artist's wife, Margot Eckhouse and Judy Rieger; others in an exceptionally well-balanced cast were Sandy Wessel, Bill Lane, Mike Cavallon, Mike Rapaport, Sam Harris, Mary Unger, Helen Schulz, Beverly Reinhold, Carol Kirk, Lynn Starret, and Joan Krasberg.

"WHERE THE CROSS IS MADE": JOHNSON, HAYES, ZELLER, MORGAN, EDDY, McCULLY.

"THE TORCH BEARERS": WIELAND, LIND, LANGE, HEDGES, HORBERG, RINELLA, WEISMAN, BRADFIELD, WINSTON, STETSON (in foreground).

Among New Trier's many extra-curricular activities, clubs enable students to get together, have fun, and exchange ideas concerning mutual interests, hobbies or service avocations. Through their varied programs, these organizations also have the purpose of furthering good citizenship, sportsmanship, fellowship, and encouraging the students' individual talents.

In February the Council of Clubs, composed of all club presidents, sponsored a "club week" program designed to promote interest in club activities and encourage membership.

Most of the clubs presented interesting programs and had special events in which members and guests participated. Geography Club, with its numerous meetings at which various speakers, movies, and lectures were presented, is a good example. The French Club also was active in various ways; it gave a Christmas program which included a play in French, heard a Frenchman speak about his country, and took a field trip which included lunch at a French restaurant in Chicago and a viewing of the French paintings in the Art Institute.

A group enterprise on the part of the language organizations was in the form of a banquet held on April 6. All members of the Spanish, French, Latin, and German clubs were invited to attend the dinner, which was followed by skits presented by members of each club.

Lens Club held studio nights several times during the year in which photographs were taken of various models, and contests were held to judge the best entries. The outstanding event of the year as far as Ski Club was concerned was the three-day trip taken to Mt. Telmarck over Lincoln's Birthday.

The Model Railroads Club visited Mr. Ravenscroft's H.O.-guage layout and received from their host a life membership in the National Model Railroad Association. Climaxing a year of interesting "ham" broadcasts, the Radio Club held a banquet for members and guests on April 27. These were only a few of the many varied and valuable experiences offered by some of the clubs during the past year.

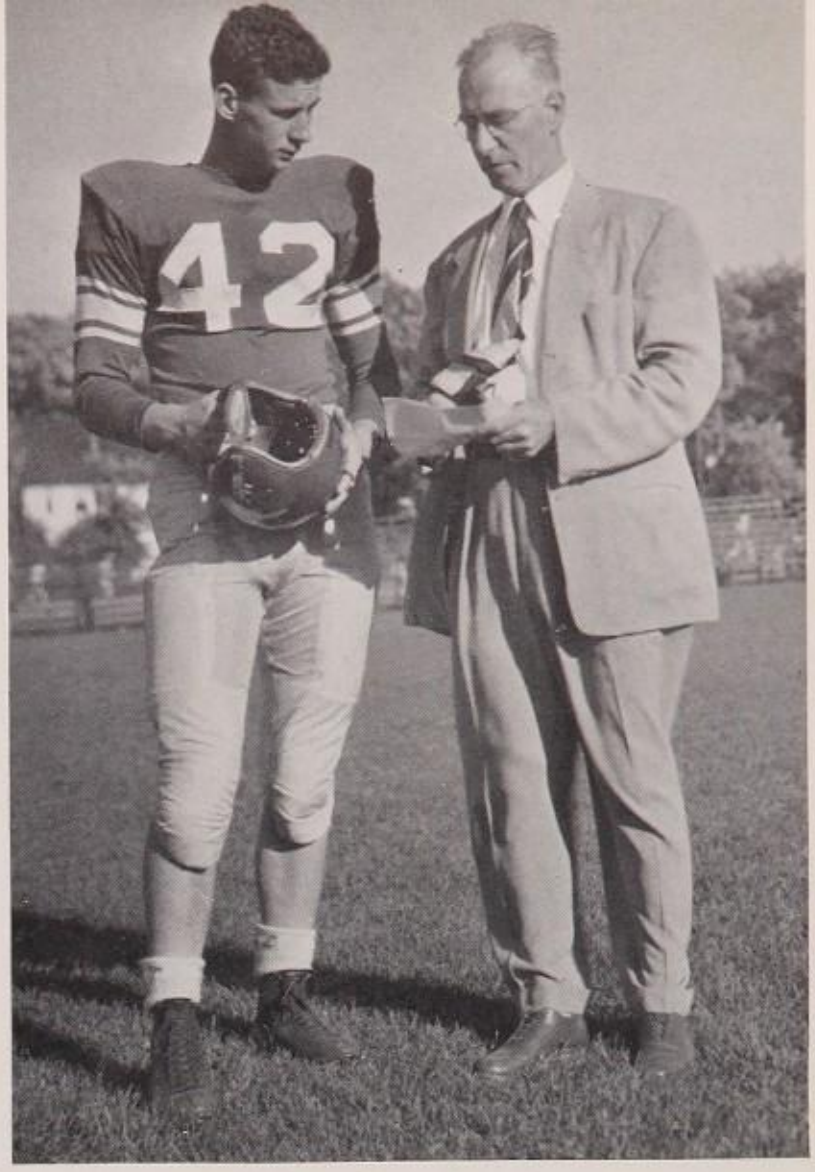
MORTON AT NEW TRIER

NEW TRIER AT NILES



CAPTAIN JIM HUST AND COACH ASCHENBACH

This year's varsity football squad added another good season to New Trier's past record of fine performances. Expertly coached by Mr. Aschenbach, Mr. Caton, Mr. Gadske, and Mr. Weingartner, and led by captain Jim Hust, the Triermen battled their way to five wins, two losses, and one tie for the season record, while in league play they racked up four wins, two losses, and one tie for a second place rating in Suburban League.

The '53 grid season opened against Schurz, one of the city's top teams this year. New Trier pulled out on top of a close score by the virtue of Szonn's P.A.T. On the following week end, Aschenbach's men ran over a comparatively weak Niles eleven, but on the next Saturday met a rugged and unusually strong team from Morton. The Mortonites effectively throttled Trier's passing attack while counting three markers on their own passes to provide the margin of victory. Playing before a capacity homecoming crowd, the Trevians proved themselves once again by overcoming a good Oak Park team. Touchdowns by Shanahan and Hust in the first half and two by "Brahma" Lorch, one on a 63-yard sprint, in the second half made the Oak Park Huskies taste their second defeat. A second half scoring spurt put New Trier ahead of Proviso, the league champions, but a last minute touchdown resulted in a heartbreaking defeat for the Indians by one point. They had to come from behind in the second half of Highland Park game, to take the Little Giants at their homecoming. Waukegan was the next victim after they gave the Triermen a scare by staging a second half rally, which New Trier overcame. The one tie of the season came at the hands of Evanston. With the 1954 season gone but not forgotten, New Trier looks forward to a team next fall that will be one of the toughest in the Suburban League.

JUNIOR VARSITY

Coached by Mr. Frantzen, Mr. Fearheiley, and Mr. E. Kahler, the J.V.'s outplayed all opposition this year by racking up a total of 151 points against their opponents' 18, resulting in a season record of 8 wins and no losses. Thus the J.V.'s have continued their winning streak to 17 consecutive games. In a tough and deciding game of this year's campaign, a recovered fumble deep in Proviso's territory led to the only score of the game and a win for New Trier.

Sharp and rugged lineplay was the chief factor in the success of the J.V.'s during the season. Not only did it show the way for the backfield but it also helped immeasurably to scatter the opponents' only three touchdowns among Morton, Oak Park, and Maine. Linesmen were France, White, Marsh, Ely, Carmody, Binkley, Webb, McCullough, and Wright.

In the backfield Coghill did a fine job of quarterbacking with Gross, Storch, Jensen, Frank, and Gladson doing the running and Christopher the passing.

FRESHMEN

With great team spirit and co-ordination, the Frosh gridders, coached by Mr. McFadzean, went through the season without a loss, chalking up their second straight Suburban League championship. Co-captains Pat Layden and Jim White with such top performers as Tom Singleton, Howard Will, Mike Pyle, and Chick Anderson showed the team the way to victory.

SOPHOMORE FOOTBALL

Head coach Chuck Lauer and assistants Ken Wellington and Bob Malinsky turned out a strong well-balanced sophomore football team this year. The sophs played an unbeatable brand of football throughout the season, but unexpectedly ran into an alert Evanston eleven on the final Saturday that won the game by one touchdown, thus dropping the New Trier soph team to second place in the Suburban League for 1953.

After crushing Schurz and Niles, the Ponies swamped Morton. At the end of the first half, New Trier was ahead by virtue of touchdowns by Irvine, the team's leading scorer, Jaeger, and Penfield. Scores by Griffin and Penfield in the second half put the game on ice while Pete Steel converted on four out of five tries.

A tally by Griffin and two by Gilmer gave New Trier the victory over a tough Oak Park team, and the following Saturday saw the Ponies shut out Proviso on scores by Jaeger, Irvine, Gilmer, and Elliott with four conversions by Steel.

The sophomores then whipped Highland Park as Irvine and Jaeger starred, both scoring two touchdowns each. Quarterback Poggensee tossed a pass to Robison for the fifth score. Waukegan also met defeat on two scores by Griffin and a score by guard Jeff Kahn, who picked up a fumble and went over for the tally.

In the championship game with Evanston a recovered fumble by Hicks in the second half led to New Trier's only score on a plunge by Jaeger. Evanston was a little too much as New Trier lost 12 to 6.

Lineman were Magnussen, Glass, Applegate, Stetson, Shibe, Hicks, Kahn, Koza, Study, Morgan, Fox, and Conaghan.

VARSITY BASKETBALL

A well-balanced varsity team went through the 1953-54 league basketball season with a record of six wins and eight losses giving New Trier fourth place in the Suburban League. In overall season play they won eleven and lost eleven while at the regionals they won against Zion but lost in an overtime period to Evanston. The boys showed great ability and sportsmanship all during the year on and off the court. A great deal of the credit for moulding this year's squad goes to Coach Chuck Lauer and his assistant Lyle Henderson, who did much to help the boys increase their basketball ability.

Accompanying the good teamwork were some top notch individual performances. Captain Don McNeill, while netting a total of 186 points for third place in league scoring, won the annual trophy for leadership and all-around character. Don also won the rebounding trophy.

Playing at the guard positions were Chuck Lindstrom, a good floor leader and defensive man who won the free-throw trophy; Bob Lietzow, winner of the assists trophy, who contributed speed, good shooting, and fine defensive work to the team effort; Mike Layden, fireman of the squad and also next year's captain, who was a good clutch manpower, increasing the team's defense and teamwork; and Marty Johnston, who added speed to the squad.

Forwards were Tom Lorch, a good scorer taking up the clock in many games; Kent Clancy, who was good on teamwork and rebounding; Homer Groves, who added speed and good rebounding; Alan Sex, a hard worker throughout the season; and Bill Struve, one of the most improved players at the end of the year. John Magnuson, the first sophomore to play on the varsity team since 1923, added tremendous punch in rebounding and scoring.

SOPHOMORE BASKETBALL

Sophomore hoopsters, playing above-average basketball all season, made a record of eight wins and six losses to finish third in Suburban League competition. Their over-all record for the reason was ten wins and seven losses. With Bob Malinsky in his third year as coach, the boys displayed well-coordinated teamwork with a good scoring punch, handicapped chiefly in their rebounding efforts.

There were some fine individual performances along with the excellent team effort. Greg Alsdorf, playing regularly at guard, and Dick Darwent at center were in top form throughout the season, both contributing considerably with their scoring, defense, and good team spirit.

The high point of the sophomore season was the great upset over a tough Proviso five, League champions. This was Proviso's only defeat of the season and it was a heart-breaker at 50-49. The Ponies also scored two satisfying victories over Evanston.

Letters were awarded to Buzz Alexander, Greg Alsdorf, Dick Darwent, Mike Elliott, Mike Gilboy, and Dave Mayo.

Coached by Lyle Henderson, the J.V.'s broke even in their games during the season with four wins and four losses in Suburban League competition.

Boys who played during most of the season were John Bussjager, Kim Cook, co-captains Steve Weideman and Palmer White, Tom Christopher, Jim Good, John Peters, and John Gessel and Curt Christiansen, both of whom worked with the varsity during the last few games. Christiansen was the J.V.'s leading scorer with 134 points.

Highlights of the season were two triumphs over Oak Park, while the other victories came in games with Evanston and Waukegan. One of the most exciting games for the junior team was the tilt with Proviso which ended in defeat for New Trier by a single point.

New Trier freshman hoopsters terminated their season with a record of 4 wins and 9 losses. Although their league record was 3 and 9, it is no indication of the progress of the team. The squad showed a great deal of cooperation, competitive spirit, and eagerness to work throughout the season. Coach Howard Marz pointed out that the team's chief difficulty was a somewhat weak defense.

A hard-fought 41-40 win over Proviso was the high point of the freshman campaign. They also had victories against Barrington, a non-league foe, Niles, and at the end of the season, Highland Park.

Regulars on the squad were Sullivan, Felton, Riley, Etnyre, Hildner, Layden, Pyle, and Strub.

INDOOR TRACK

New Trier thinclads have produced an overwhelming record for 1954 indoor track. Losing only one dual meet this year, Coach John Nay's tracksters came through with a tremendous victory in the Suburban League meet. In this meet New Trier scored five firsts, one second, five thirds, and four fourths to net them 53 points, 9 more than their closest rival, Evanston.

In the final meet of the season, the Oak Park relays, New Trier's 16-lap relay team established a record of 7:14.6, erasing the old standard of 7:15.2 established by La Grange in 1952. The New Trier foursome was composed of Kent Clancy, Gordon Johns, Guy Osborne, and Bruce Dern.

The team also produced many fine individual performers during the season. In the dashes were Simonds, with a time of 5.5 seconds, Hoban and Tobin. Fisk and Conover ran the hurdles, the former having a time of 6.5 seconds for the highs.

Two of the best quarter-milers and half-milers were Dern and Osborn. Dern set the record of 2:03.7 for the half, while Osborn had an excellent time of :53.7 for the quarter.

The sophomores, coached by Mr. McFadzean, had a good average team. Outstanding in the half mile was Hahn, while other first stringers were Gillespie, Hemmersbach, Staebler, Gross, Lindbloom, and Waldman.

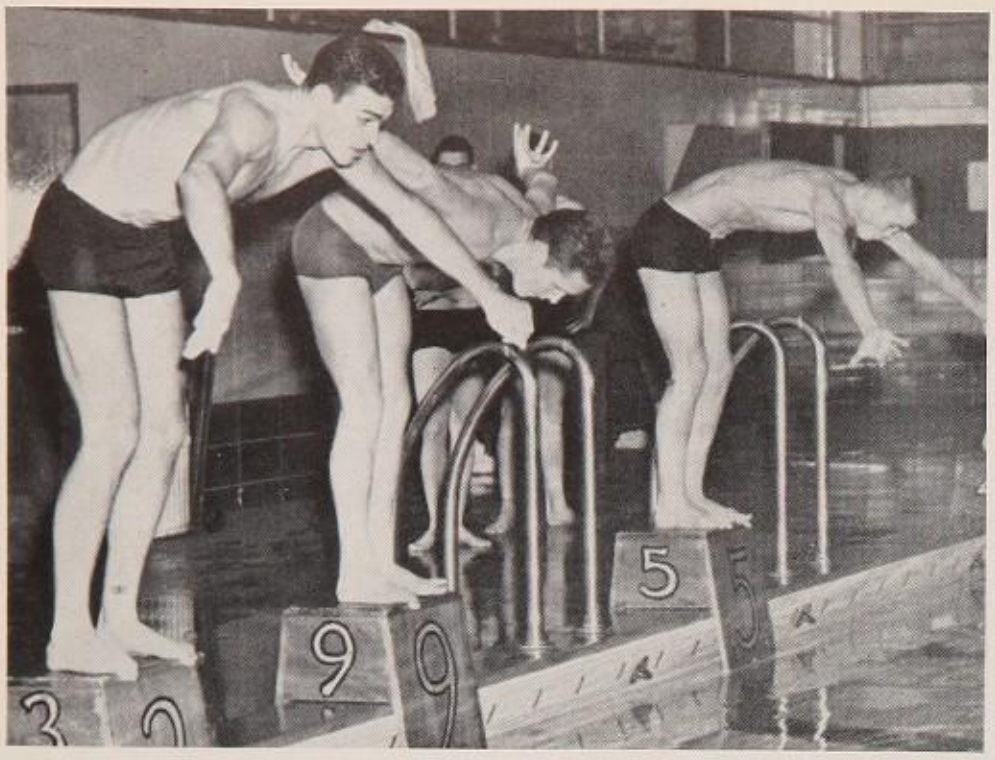
SWIMMING



FREE-STYLE: RINELLA, CREDEN, PATTERSON

Varsity swimmers, losing only two regular meets this season, came through with an excellent record and a reputation as one of the best teams New Trier has produced in recent years. Even though it took only second place in both the Suburban League meet and in the state meet this year, it was considered a faster team than the championship teams of either '49 or '50, a fact which testifies to the excellence of much-improved competition, rather than any decline in the caliber of swimmers developed by New Trier.

Just as the Suburban League competition ended with Evanston first and New Trier second, so also were they the two top teams in the state meet, Evanston with 67 points, New Trier with 56.

Coached by Dave Robertson and Art Van Aman, and led by co-captains Tom Wynn and Bernie Rinella, the team showed considerable power in both individual performances and group events.

The state championship in the 100-yard free style went to Don Patterson, and the state record fell in the 200-yard free style relay when the team of Rinella, Wynn, John Lechner, and Patterson, took the state championship in the record-breaking time of 1:37.3.

Other points were scored in the state meet by John Lechner, Lorin Surpless, and co-captain Wynn in the 50-yard free style; co-captain Rinella in the 100-yard free; Jack

Creden, Dave Ramsey, and Charlie Bronston in the 200-yard free; Mike Sills and Steve Hirsh in the 100-yard back stroke; Hirsh and Chuck Lechner in the 150-yard individual medley; Chuck Hill in diving; and the relay team of Jack Morse, Mike Sills, Chuck Lechner, and Dave Dauber in the 150-yard medley.

Dave Ramsey in the 200-yard free style, Jim Sokol in the 100-yard breast stroke, and Jim Stevenson and Roger Maupin in diving also were consistent performers for New Trier throughout the season.

Sophomore swimmers were undefeated this year, proving themselves worthy candidates for the varsity of tomorrow. In the Suburban League meet they set one record and tied another to win the meet with 66 points compared to the 31 of their closest rival, Evanston. Setting a new league record of 1:43.5 in the 200-yard free-style relay were Griffin, Jacob, Boeckler, and Dave Thulin. Other free-stylers were Kearns, Chuck Thulin, and Rinker.

Chuck Lechner, swimming the 50-yard backstroke, tied the league record of :29.1 in this event. Also swimming the backstroke were Risius, Mordock, Peterson, Breed, and Rogers. In the breaststroke were Caskey and Tucker.

Long and Howe performed in the individual medley, while the individual medley relay team consisted of Lechner, Caskey, and Kearns. Divers were Hill, Lewy, and Teich.

For the freshmen the important meet was the Niles Invitational which the frosh won by a single point. New Trier scored 50, Evanston 49, and Highland Park was next high with 37. Gordon Sutton broke the 50-yard crawl record, Macomber won in backstroke, Robinson in breaststroke. Other firsts went to the medley relay team of Macomber, Robinson, and Sutton, and to the 200-yard relay team of Ebrey, Kane, DeTarnowsky, and Dick Muther.

Although swimming performances of the three swimming teams received the plaudits and the publicity, it was the work of the swimmers as members of the New Trier Guard which provided the basis for the success of the entire swimming program. Headed by Jack Creden and Tom Wynn, the Guard continued the service for which it was established in 1936. It provided student instruction and assistance in the Saturday morning classes for grammar-school pupils and in the recreational swimming program for adults, as well as in all gym swimming classes, in intramural competition, and in life-saving courses.

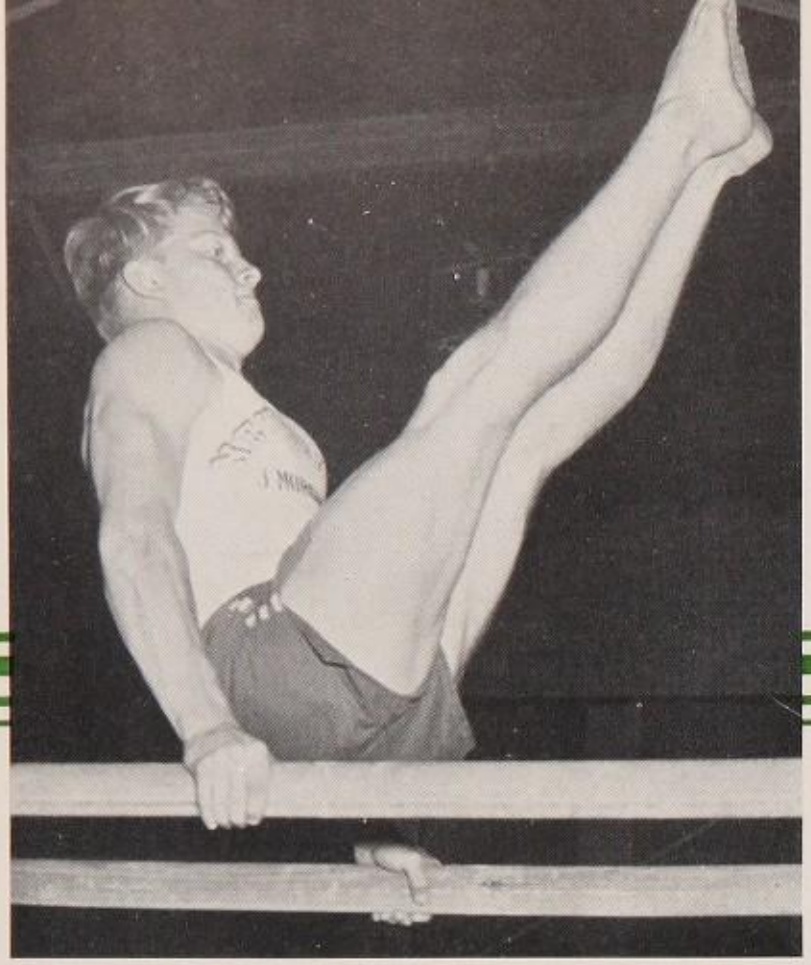
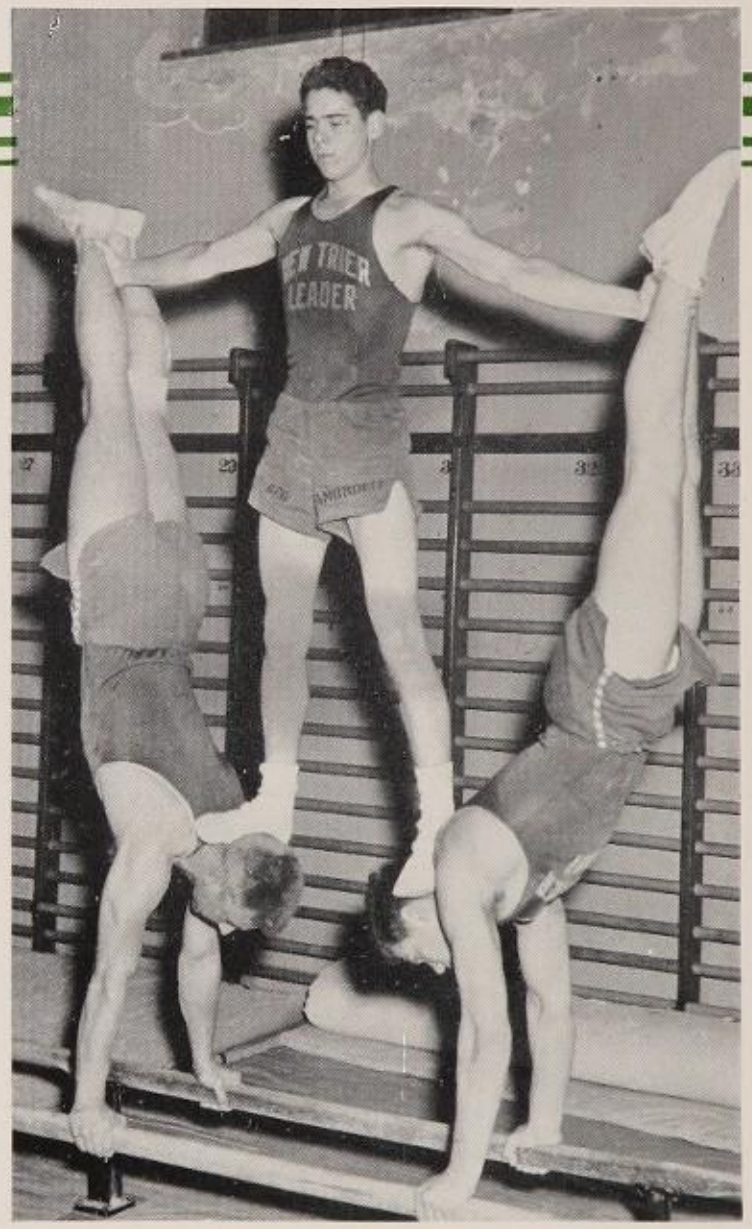
GYMNASTICS



JOHN MORGAN ON THE PARALLEL BARS



RON HEDBERG, BOB AMBROGI, JIM GOODMAN

With gymnastics growing in popularity as a competitive sport among Illinois high schools, New Trier took only a close second to Lindblom in the state meet held this year in May at Champaign, Illinois. In an earlier dual meet with Lindblom, the New Trier gymnasts came through with victory by a margin of one point.

In the state meet, Morgan took first on parallel bars, third on horizontal bar and rings, and fifth on side horse. Lumley placed second on horizontal bar and fourth on rings. Amos won fourth on horizontal bar, while Goodman captured two fifth places on parallel bars and rings.

In other meets of the year, New Trier was twice victorious over Arlington Heights, 88-66 and 82-68; twice over Leyden, 82-52 and 79-53.

Throughout the regular season, the most outstanding member of this year's squad was John Morgan who led the team in high-bar, parallel-bars, long-horse, side-horse, and tumbling events. Lumley, Amos, and Hepple were also on the high bar, while best on parallel bars were Goodman, Welch, and Lumley.

On the rings were Goodman, Lumley, Hedburg, and Fields; on the side-horse or long-horse were Welch, Amos, Hepple, and Buck; on trampoline, Buck, Borcherdt, and Cleary; and in tumbling, Lumley and Amos.

WRESTLING

Varsity grapplers, coached by Al Hurley and Carl Clader, made a tremendous showing this season, even though the team placed only second in the Suburban League, with two losses in regular meets. In the sectionals at Arlington Heights, New Trier captured second place with 50 points; in the state meet at Proviso, the wrestlers scored 15 points to take sixth place.

Co-Captain Rolls Muther, one of the best wrestlers New Trier has seen, was undefeated at 138 pounds, taking first in the state meet and becoming the first wrestler here to take state championship twice in a row. He placed first in the sectionals, too.

Also taking first in the sectionals were undefeated sophomore Martinson, 95 pounds, Morrison, 112 pounds, Pitzner, 154 pounds, and co-Captain Lawrie Stetson, heavyweight. Shapiro, 103 pounds, and Boudreaux, 120 pounds, took seconds in the sectionals. Third at 175 pounds was Sproule while Hendricks, 133 pounds, and Wilder, 145 pounds, took fourths. Others in the sectionals were Kraft, 127 pounds, and Hoffman, 165 pounds. Additional regulars were Lewis, 133 pounds, and Bentley, 165.

The sophomores, probably the best sophomore team in the state, were coached by Ken Wellington to the Suburban League championship, going undefeated during the 1954 season. Unbeaten throughout the campaign were Hoffman, 120 pounds, Stremmel, 127 pounds, Captain Blech, 133 pounds, and Will, 175 pounds.

POLE-VAULTER MOTTERN

SUBURBAN LEAGUE TRACK CHAMPIONS

On Saturday, May 22, New Trier's track team won the Suburban League championship by an 18¼-point margin over their closest rival, Evanston. This bore out earlier showings in league competition during the 1954 spring season. In their first meet, the North Shore Invitational, they won by 20 points over Evanston. The following weekend New Trier played host to La Grange, state champs, and Waukegan, state runners-up. In this meet the Green and Gray came out on top with 60 points as La Grange and Waukegan were second and third respectively with 48 and 40 points apiece.

In the district meet, New Trier was favored to win and they did with a score of 50½ points, 18 more than second-place Evanston. New Trier qualified ten individuals and two relay teams for the state meet. At Champaign, however, New Trier took eighth place with only seven points. Bouncing back, the Trevians bested some of their state competitors and proceeded to take the Suburban League title.

In the dashes New Trier's top man was Simonds, while Mottern won the pole-vault event in the league, N.I.T., and district meets. Paletti did some fine shot putting as he took third in state and set a new record in the league meet.

GOLF

New Trier's varsity golfers made the best showing in the Suburban League this year and appeared to be the best team in the state, but nevertheless they wound up with a disappointing loss to Waukegan in district competition on the Waukegan home course and failed to reach state playoffs. Later on they beat Waukegan's district champs on the same course, 8 to 7, but this one "didn't count". In other top meets of the year, they met and conquered Highland Park, last year's state champs, 8 to 7, and they also won against Hinsdale, 1954 state champs, 9 to 6. Seniors playing for New Trier were Segil, Campbell, Armstrong, Flynn, Haugh, Huffman, Walters, Chaplain, Kurz, and Driggs.

TENNIS

Winning six matches and losing only two, the varsity tennis team played brilliantly throughout the 1954 spring season. In one of their six wins, a single point ended Evanston's victory string of more than 50 consecutive victories. Vandie Christie, a junior, was top singles man, taking seconds in both district and Suburban League. Beating the top-seeded player in the first round of the state tournament, he reached but didn't survive the semi-finals. The Weinberg and Budwig doubles team took second in the district and went to the state meet but lost in the first round. Prospects for the 1955 varsity looked brighter with a top notch soph team capturing the Suburban League title.

BASEBALL CHAMPIONS

In one of the most brilliant seasons in New Trier baseball history, the varsity went through 23 games with only two losses, winding up the season as Suburban League champions, district champions, and sectional champions, and going on to play for the state championship at Peoria. Results of this tournament were not known as **Echoes** went to press.

When the Suburban League season opened, Proviso and New Trier split a double-header. New Trier won the next eight games handily behind the pitching of Edmonds, Layden, Lindstrom, and Thompson. The second loss for the Trevians was at the hands of second-place Waukegan. Although Edmonds pitched great ball, Waukegan pushed a run across in the 13th inning to win, 1 to 0. When New Trier met Waukegan in league play again, the Green and Gray walked away with the championship, 8 to 0.

Three foes were subdued in the district playoffs. The championship game was played against Waukegan, New Trier winning, 4 to 1. In the sectionals at Belvidere, West Rockford fell in the final game, 8 to 2, New Trier thus qualifying for the state-championship playoffs.

Regulars of the 1954 season were Lietzow at first base, Poggensee at second, Selinger at short, and Lorch or Layden at third, the outfield consisting of Lorch, Weidemann, Johnson, and McNeill, and a great pitching staff composed of Edmonds, Layden, Lindstrom and Thompson.

The sophomore squad finished the season with a league record of 4-5, while in overall season play they recorded a 5-7 record.

Actually the only team that showed considerable power against New Trier was Morton. The last two games of the season were really heart-breakers, both being nine-inning losses, one to Evanston in a game which was scoreless until the ninth, and the other to Waukegan when Waukegan came from behind to win on a few bloop singles.

Sophomore hitting was great as seven men were above the .300 mark, Schmidt with .552, Hibben with .429. Kann had a 5-1 pitching record and a .75 earned run average. The starting lineup consisted of Walter, catcher; infielders, Hammaker, Alsdorf, Ade (captain), Gilboy, Singleton; Stetson, Irvine, Kahn.

SOPHOMORE TEAM

Top Row: Rosenberg, Lindblom, Gray, Holstead, Thompson, Redson, Mennel, Robison, Gillespie, Little, Parson, Mr. Irwin.
Middle Row: Hubbard, Stetson, Irvine, Gillmer, Walter, Riley, Singleton, Gilboy, Kahn, Blanchard, Herbenar, Alsdorf.
Bottom Row: Nutt, Hibben, Ade, Peterson, Paulson, Hammaker, Kann, Schmidt, Kelly, Seefurth.

JUNIOR VARSITY TEAM

Top Row: Mr. Marz (coach), Seltzer, King, Wright, Fetzer, Swirles, Christiansen, Street, McKinnon.
Middle Row: Becker, Friend (mgr.), Levin, Pollak, Oelerich, Wallach, Shere, Van Anrooy, Wallace, Walker (mgr.).
Bottom Row: Struggles, Jarvis, Cook, Cram.

JUNIOR VARSITY AND FROSH BASEBALL

Junior varsity baseballers had an average season this year, winding up with four wins and six defeats. In their first game of the season they were victorious over Schurz, 11 to 8, but their next game they suffered a drubbing by Lane Tech, 1 to 17. The next game was with Evanston, and New Trier came out on the short end of a 6 to 5 loss, but they followed up by shellacking Evanston in their next game, 15 to 3. That some week the J.V.'s won a close pitchers' duel over Waukegan, 2 to 1, but in the return game, the Bulldogs pulled out on top, 4 to 3. Then they suffered some reverses as two games were dropped to Proviso, 10 to 4 and 2 to 1. Adding a final touch to the season were two games against Niles, in which the Trier men took a victory in the first, 8 to 6, and dropped the second, 6 to 10.

Street had the best of the pitchers' record with three wins and one loss, while Van Anrooy, first baseman, was the leading hitter.

Playing catcher this year were Wright and Oelerich; second base, Christiansen; and the rest of the infield, Swirles at third base and Seltzer at short stop. Outfielders were Pollak, Cram, King, Fetzer, Shere, and Jarvis.

Freshman baseballers also had an average season as they came through with three wins and five losses. At the beginning of the season 110 freshmen showed up, and this unmanageable squad had to be cut down to 22 members. Starting out in fine fashion, they took their first three games, the first against Proviso 5 to 3; the second from Niles, 14 to 11; and the third against Evanston, 8 to 5.

However, in the next fixe games, the frosh met with defeat at the hands of Morton, 3 to 5, Waukegan, 1 to 11, and Oak Park, 0 to 16; and in return games with Evanston and Waukegan, they lost by 3 to 4 and 1 to 11 scores, respectively.

The starting lineups for the freshmen consisted of Quick, catcher and leading batter; Will, first base; Anderson, second base; Strahorn and Hildner, short stops; Webster, third base; Sullivan, left field; Riley, center field; and D'Ancona, right field. Pitchers were Hallenborg, Riley, Hirsh, and Brandl. Other squad members were Pyle, Morse, Paschen, and Layden.

INTRAMURAL SPORTS

ADVISER-GROUP COMPETITION
IN BASKETBALL

Intramurals at New Trier are designed to enable all boys to participate in various competitive sports either on an individual basis or in adviser-group competition. The adviser-group athletic manager encourages everyone to take part in the program. Director of arranging and scheduling these sports is Mr. Showley, head of boys' physical education department.

This year's touch football, under the direction of Mr. Cramlet, was hotly contested in the fall. Adviser-group class champions were Landwer, freshman; Nay, sophomore; Malinsky, junior; and Frantzen, senior. Frantzen's advisees became all-school champions.

Swimming, also offered in the fall, was under the direction of Mr. Robertson and Mr. Van Aman and saw some keen competition. Freshman contests were so close that the result was a tie between Henderson's and Lauer's advisees. Other class champions were Van Aman, sophomore; Morey, junior; and Kahler, senior. Again a senior group won when Mr. Kahler's group took the school title.

CLASSES IN WRESTLING FOR ALL BOYS

Intramural tennis, headed by Mr. Clader, brought forth some valuable material for the varsity and sophomore tennis squads. Klein, Levin, Robinson, and Smith were the frosh tennis winners, while Elmendorf, Michel, and Lumley were the sophomore, junior, and senior class tennis champions respectively.

Freshman, sophomore, junior, and senior horseshoe singles champions were Driggs, Salvano, Smith, and Reardon in that order.

In handball doubles, sophomore champs were Rooker and Hanson, while junior champs were Miller and Jeffers.

Intramural basketball, under the direction of Mr. Marz, produced some close competition during the winter months, each team competing with the other class teams in a double elimination tournament. Among the freshmen, Lauer's advisees won the championship by beating the men from Marz twice, 16-15 and 19-17. The sophomore victors were Robertson's advisees who won the winner's bracket against Van Aman 35-16 and continued in the finals to beat Nay 44-18. The junior tournament saw a much tighter finish with Fearheiley and McFadzean battling it out. Fearheiley won the winner's bracket 27-19 but lost the first game of the playoffs 26-23. They came back to win the championship 21-17.

Advisees of Mr. Lauer, Mr. Clader, Mr. Weingartner, and Mr. Gadske emerged as the freshman, sophomore, junior, and senior volleyball class champions respectively. McFadzean's adviser group, however, after taking the junior runner-up title, battled their way to the school championship.

Wrestling, organized and run by Mr. Hurley, produced twelve school champions in their respective weights. They were James, Schulz, Baby, Wiley, Bregstone, Bokhof, Herbon, Miller, McKinnon, Wynn, Oelerich, and Patullo.

Since its founding in 1913, Girls' Athletic Association has grown until today it is one of the largest girls' organizations at New Trier. Under the leadership of its officers and the guidance of sponsor Miss Iris Boulton and adviser Miss Mary Louise Hook, 1954 became one of the most successful years in G.A.A.'s history. Adviser-room representatives provided the closest link between the GAA board and the members.

The intramural sports program opened the season, providing fun and exercise for any girl desiring to participate. The courses for officials gave girls an opportunity to learn more about the sports, while the program for timers and scorers offered others a chance to participate.

Although most of G.A.A.'s activities took place on the athletic field, the organization also served the school and community. Throughout the year the page girls performed errands for the physical-education department. As a community service, some of the board members went to the Lake Bluff Orphanage every Friday afternoon to provide entertainment for the children.

The March award assembly gave deserved recognition to many of the girls who participated in G.A.A.'s activities. The Initiates' Supper followed, where the initiates received their formal initiation into the organization.

G.A.A.'s written publicity helped to keep the community iformed of G.A.A.'s activities, while clever, eye-catching bulletin boards and posters provided additional information for the school.

An important addition this year was the beginning of the Hall of Fame, which, when completed, will consist of a permanent display of pictures and snapshots of G.A.A. officers and sports dating back to the early years of New Trier.

The year was climaxed by the spring award assembly and the Spring Banquet, held on June 3, where the new board and officers were announced.

FALL SPORTS

Early in the fall the intramural sports began. Mary Doepel, head of hockey, and her class managers, Carolyn Kenny, Polly Edgar, and Victoria Kling, completed a successful season with Mrs. Cornell's team, a combination team made up of Miss Karl's and Miss Kral's adviser groups, and Miss Flemington's team winning the three tournaments. The hockey season ended with the annual Beauty versus Brawn game between the senior girls' first team and the boys' varsity football team in which the boys finally triumphed with a score of 3 to 1.

Head of soccer Virginia Broderick and her managers, Jane Goodwin, Judy Gaffert, Nancy Edens, and Jane Lightner, found that soccer was becoming increasingly popular. The only tournament was played by the freshmen in which Miss Byrne's adviser room won.

Tennis, under the leadership of Jeanne Sewrey and her managers, Mirella Meier, Margaret Redgwick, and Marilyn Coyne, set up tournaments which were not completed because of bad weather.

Enthusiastic riders, headed by Carol Crittenton and her assistant Lynn Hughes, were divided into three groups: the beginners learned to post and trot, the intermediate mastered more advanced skills, and advanced riders polished up on the fine points of jumping.

With the arrival of cold weather, G.A.A. embarked on its indoor program. Three volleyball class tournaments were held, headed by Elizabeth Barnett and her class managers, Maraya McCully, Rosemary Long, Robin Lloyd, and Jane Keith, followed by an interclass tournament, won by the Freshmen 3B team.

Dance, headed by Carol Kirk and her assistant Suellen Peterson, saw many girls coming out for the freshman and upperclass dance lessons. Patricia Edwards and Nancy Daley worked with the tumblers this year.

Headed by Ouida Gatter and assisted by Anne Finger, Jane Weinberg, Elizabeth Sterrett, and Barbara Hager, a variety of recreational games was offered in the program of table tennis, badminton, shuffle board, horseshoes, deck tennis, paddle darts, and duck pins.

Basketball replaced volleyball as a tournament sport under the direction of Judith Paynter and her class managers, Arlene Nadjowski, Phillipa Bayless, Joan Cann, and Jean Stoops. Following the three class tournaments, the Junior I team won the interclass contest.

SPRING SPORTS

LA CROSSE PLAYERS

FERGUSON ON THE MOUND

This spring G.A.A. again moved outdoors to take advantage of the warm weather. The active program included golf, headed by Colette Lichter, and archery, headed by Donna Schuett and her class managers, Pat Kay, Hallie Will, and Sarah Lind.

One of the most popular sports was tennis, headed by Jeanne Sewrey and assisted by her class managers, Mirella Meier, Margaret Redgwick, and Marilyn Coyne.

Riding, headed by Carol Crittenton and her assistant, Lynn Hughes, was continued with renewed interest. Ouida Gatter and her class managers, Anne Finger, Jane Weinberg, Elizabeth Sterrett, and Barbara Hager headed lacrosse.

Baseball was headed this year by Mary Lou Emrich and her class managers, Deborah Fowler, Sylvia Phelps, and Pamela Condon. After practice games, the adviser room tournaments were held, followed by the class-team games.

The water ballet, presented Saturday, April 24, was an outstanding demonstration of swimming skills. Directed by Carol Haider, head of Pool Guard, and Betty Wheeler, head of swimming, each scene in the "World of Water" depicted a different country, with additional acts done by the advanced dancers and the tumblers. The swimming class managers, Mary Ellen Arnold, Colby Smith, and Jane Barnett, the members of the Pool Guard, and many other "behind the scene" workers were indispensable to the success of the demonstration.

G.A.A. AWARDS

At the winter award assembly March 4, 234 G.A.A. awards were presented to 91 freshmen, sophomores, juniors and seniors who had come out for sports 60 times or more to win the 300-point award. Fifteen girls earned 700 points by participating 140 times, while seven others received the G.A.A. pennant signifying 1000 points. Although the 1500-point award is officially the highest presented by G.A.A., special honors were given this year to Ouida Gatter, senior, for being the first girl in G.A.A. history to win a total of 2000 points.

An innovation recently established to provide recognition of award winners and other past and present G.A.A. groups was the Hall of Fame. This project will be a permanent display of photos mounted in frames donated by the New Trier Dads' Club.

THE CLASS OF 1957

Last fall 688 freshmen came to New Trier as a group of bewildered but excited and enthusiastic students. After only one week of confusion, however, they started on their road to success.

Organizing the Freshman Affairs Committee on the pattern of the Senior Steering Committee, the class laid plans for the entire year.

The girls were introduced to social life at New Trier through the annual Freshman-Senior Party, followed by the Little-Sister parties given by the sophomore adviser groups. The boys, on the other hand, were busy in every sport, organizing outstanding teams.

Led by able officers, under the guidance of adviser chairmen Miss Louise Hamilton and Mr. Robert Ream, the freshmen have earned a reputation as outstanding individuals and as a fine class, a reputation which will follow them throughout their future years at New Trier.

THE CLASS OF 1956

Following election of officers early in the fall, the Sophomore Class, with its large membership of 671 students, began plans for the first soph party, "The Snow-Ball," under the guidance of adviser chairmen Miss Blanche Veach and Mr. Lionel Lightner. The success of the minstrel show entertainment and dance was so great that popular demand resulted in another soph party later in the spring.

Participation by sophomores in other activities was not lacking, either. Work by the sophomore girls in the Girls' Club drives contributed greatly to the success of these enterprises. Many girls were initiated into G.A.A., and the sophomore boys polished up fine teams in all sports.

Using to good advantage the experience of Lagniappe, sophomores also did an outstanding job with the frosh-soph play, "Remember the Day," and a few talented individuals also had the good fortune to be chosen for important roles in the opera.

With these excellent beginnings, the Class of 1956 can look forward to a promising future of another two outstanding years of achievement at New Trier.

THE CLASS OF 1955

Future alumni looking back upon "the good old days" will undoubtedly think of the Class of 1955 as a small one (just 575) compared to later groups which will most likely number well over 600. But it's a well-known adage that "good things come in small packages," and the Junior Class certainly looked like a good one in many of its accomplishments throughout the past school year.

Led by their class officers, and the Junior Steering Committee under the guidance of adviser chairmen Miss Frances Bredin and Mr. Rowland Wehr, the Class of '55 proved that it really worked well as a group. Early in January the juniors organized with Evanston the Junior Swap Hop, "Winter Wonderland," a huge success in every way! Then on the first of May, the juniors "did it again," the annual junior girls' dance, "Well of the Sea." Amid the under-water decorations they all agreed, "This is really cool!"

Looking back on her junior year at New Trier, no girl will forget the junior hag party at the end of May—who can top an early-morning beach breakfast? Then in June, to climax their social life, the Class of '55 planned and organized the Junior Prom. Here, they proved not only to themselves but also to the graduating seniors that they, as a class, could organize a prom to equal or better any prom held in the past.

But parties were not the only activities of this year's

Junior Class. In the auditorium a greater number played important parts in the '54 Lagniappe or became leads in this year's opera. On the exclusively masculine side, the JV football squad, composed mostly of juniors, captured the Suburban League title while the varsity tied for second place with Highland Park. New Trier's varsity swimming team, which included several junior boys, finished second only to Evanston in the state meet.

In addition to the extra-curricular activities, the juniors were, as usual, confronted with the "Junior Theme." But again members of the Class of 1955 were able to beat trouble, and surprisingly few were afflicted with the perennial disease, "junior themeitis," on the day theirs was due.

As upperclassmen the Class of '55 had greater responsibilities to meet in order to keep up the high standards of their school. In December four junior boys were elected as officers of Student Council. The following month, Council board positions were also given to members of the Junior Class. Then in May and June the top positions in Girls' Club, Tri-Ship, G.A.A.,and other organizations were taken over by the Class of '55.

Next year the present juniors will be seniors, faced with the challenge of providing the leadership necessary to maintain New Trier's high standards in every field under the difficult conditions resulting from a restriction of facilities. Student Council, Lagniappe, the annual opera, the dramatic plays, the New Trier **News,** and the 1955 **Echoes**—all affected by the tearing down of the main building and auditorium—must go on. Under somewhat trying conditions, the Senior Class of 1955 will be faced with the responsibility of continuing the traditions of superior scholarship, sportsmanship, and good conduct which has always been the pride of New Trier.

It is a challenge which the Class of 1955 can meet.

THE CLASS OF 1954

The graduation of the Class of 1954 will, in a sense, mark the end of an era in the history of New Trier. Next fall the old buildings which have stood for more than fifty years will be torn down and work will have begun on new construction. In addition, Mr. Matthew P. Gaffney, who has served as superintendent of New Trier since 1931, will have retired. For "old New Trier," the Senior Class has tried to make 1954 a memorable year in every way.

The fall term began with the usual thrill of just being seniors, but soon the class became conscious of the work of its four class officers and the Senior Steering Committee in promoting senior social events. Then, far too soon, busy seniors were filling out college application blanks as they struggled to keep up their grades. Christmas crept up quickly, followed by the shadow of college boards. Throughout the entire year, the seniors were truly grateful to the deans, Miss Helen Maloney and Mr. Fred Kahler, for their invaluable help and guidance.

The achievements of the class were many. Seniors handled the reins of Girls' Club, Tri-Ship, G.A.A., and Student Council with integrity and skill. They showed their ability to assume further responsibility in the senior Tri-Ship and Girls' Club study halls. The talent of the seniors was seen in Lagniappe, the opera, the senior play, and various other productions.

Senior Canteen was continued for the second year, providing memorable evenings for seniors and their dates. The Christmas dances, under senior supervision, were well attended and enjoyed by all. The Senior Banquet, held early in June, provided the final social event of four fun-filled years.

As the 582 graduating seniors leave New Trier, they can look back on the past four years with pride. Although the members of the class will be separated next year, friendships and memories will still remain. Through constant effort, the Class of '54 has maintained the traditions and standards of their school and set new goals for succeeding classes to meet.

In Memoriam

Lawrence Petersen was a sophomore at New Trier when he was killed on May 27, 1952, in a traffic accident. A member of the class of '54, this year's graduating class, Larry was an able student of fine promise. During his two years here, he acquired many friends among both students and faculty.

Because of his enthusiasm and helpful attitude in the Radio Club, a memorial plaque was donated by members of the group. Each year this plaque is awarded to a member of the Radio Club who best fulfills Larry's characteristics of courtesy, friendliness, enthusiasm, and perseverance.

His name will not be forgotten and, with the perpetuation of the name of Larry Peterson in the Radio Club, his many fine qualities will be a source of inspiration to other New Trier boys in the years to come.
